

## Will - future predictions

Do you want to practise using *will* for future predictions in English?

### Help

## Will – future predictions

We can use *will* to make predictions about the future.

*I **will** be a teacher.*  
*He'll travel around the world.*  
*You **won't** have any problems.*

## How to use it

We can contract *will*, especially when we're speaking.

*I'll live in a big city when I'm older.*  
*She'll have lots of pets.*

For negatives, use *not*. We usually contract *will* and *not* to make *won't*.

*We **will not** drive normal cars. = We **won't** drive normal cars.*  
*Children **will not** go to school in the future. = Children **won't** go to school in the future.*

Use the infinitive without *to* after *will* and *won't*.

*My friend **will be** a firefighter.*

*I **won't forget** my friends when I grow up.*

For questions, change the order of *will* and the person.

***Will you** get married?*

*Where **will she** live?*
